Hi Lauren,

Thanks for getting these numbers to us so quickly. I noticed a couple discrepancies/errors. They are identified below.

1. I noticed that the CBIG total for FY2020 does not match our number. The total we have is \$2,002,366 and not \$1,982,366. The calculation is: \$1,250,000 base - \$15,824 NY CWIP share + \$449,654 local gov't implementation funding + \$60,000 WIP assistance + \$79,536 Most Effective Basin funding + \$179,000 R2 funding redirected to NY CBIG grant.
2. I noticed in the spreadsheet that the totals in row 16 have the incorrect formula so those totals are not accurate.

If you can make the corrections and re-submit, that would be great. Let me know if you have questions.

Thanks,
Rebecca Hindin
